

Welcome

The objectives

- The Welcome Service Region Stuttgart (WSRS) has the objectives of attracting international experts to the Stuttgart Region, and assisting them with arriving and integration.
- It is the regional information and service center for companies, foreign professionals, their family members and students. Offering information, advice and events, it contributes to the expansion of the welcome and recognition culture in the Stuttgart Region.
- The Stuttgart Region Welcome Service is embedded within the Skilled Specialists Campaign of the Stuttgart Region Economic Development Corporation, and offered within the framework of the Stuttgart Region Skilled Specialists Alliance. It provides an interface to the relevant departments, service points, municipalities and labor market players, as well as the organizations and associations that deal with the economy and migration, integration and the labor market in the Stuttgart Region.

The target groups

- International skilled specialists and their families
- International students
- Companies (small and medium sized Enterprises)
